We offer a number of purchase options for acquiring our eBooks

Major annual subject collections

We offer major annual subject collections in Law, Business & Management, Economics, Sociology, Social Policy & Education, Geography, Planning & Tourism, Political Science & Public Policy. These are non-overlapping and provide the most cost effective way of acquiring our eBooks.

Subject specific collections

Targeted collections in over 90 different subject areas containing books published from 1994 to the end of last year. These collections include monographs, Handbooks, dictionaries and Research Literature Reviews. 13 of these collections comprise only reference works. Available on perpetual access.

Essentials collections

We have used citation, sales, and Elgaronline usage data to curate these collections of titles that have stood the test of time in key areas of our list. Featuring wide ranges of topics and written by geographically and ideologically diverse selections of our authors, these are essential collections for libraries building well-rounded and comprehensive collections. Containing books published from 1994 to the end of last year.

Handbook collections

Our authoritative Handbooks comprise specially commissioned, peer reviewed, original chapters offering comprehensive analyses of each topic. Our Handbooks are unique in their research focus and, in many cases, the cross disciplinary nature of the topics.

Tailored collections

This model allows you to customise your selection from across our whole eBook list. Pick and choose a minimum of 30 titles from across our list to fit the needs of your library. Tell us your budget, the subject areas you are interested in, or a range of publication dates and we can give you a proposal. Available on perpetual access.

Practitioner law collections

Our professional law programme includes books to support practising lawyers in their research and day-to-day client work. Our Law and Practice series offers rigorous analysis of substantive law, often covering elements of practice and procedure, and cross border issues. Elgar Commentaries are authoritative reference works, providing detailed interpretation of treaties, regulations and other legislative instruments. Elgar Practical Guides and Elgar Compliance Guides are aimed at those who require applied practical guidance on the procedural, commercial and substantive aspects of their legal work.

Handbook on Innovation and Project Management

Edited by Andrew Davies, University of Sussex Business School, UK, Sylvain Lenfle, Conservatoire National des Arts et Métiers, France, Christoph H. Loch, University of Cambridge, UK and Christophe Midler, Institut Polytechnique de Paris, France

'We live in a world of projects. This Handbook illuminates that world, demonstrating how to better catalyze, organize, and sustain the innovation processes embedded in project management. Reuniting separate streams of project and innovation management while incorporating the latest thinking on ecosystems and digital transformation, the Handbook will reinvigorate current experts while exciting newcomers. Highly recommended.'

TEXTBOOK

Advanced Introduction to Tourism Economics

David W. Marcouiller, University of Wisconsin-Madison, US

'This book offers insight for both academics and policy makers seeking to understand the tourism phenomenon from a regional economic perspective. Its primary value for scholars is its combination of both demand for (leisure) and supply of (amenities) the tourism product. Policy makers will, on the other hand, benefit from a greater appreciation of the economic effects of tourism, as well as implications for planning.'
